

# Concord Trust for the Enhancement of Public Education

Final Report Form

Name:

School:

Title of Project:

Amount funded:

Date funded: \_\_\_\_\_

1. Briefly describe your project:
2. Approximately how many students benefited from this project?
3. What did you learn while doing this project?
4. What was the project's greatest benefit or challenge (or both)?
5. Other comments:
6. Do you have any suggestions for improving the Concord Trust application process

Proposed Changes:

Same above the line. Then:

1. What did you learn while doing this project?
2. Approximately how many students benefited from this project?
3. What was the project's greatest benefit or challenge (or both)?
4. Based on your experience this year, would you recommend this technology / project to other colleagues in the district? How would it be most useful? (or At which grade levels or in which academic settings would it be most useful?)
6. Is there anything else about your grant you'd like us to know?
7. Other comments:

Do you have any suggestions for improving the Concord Trust application process?
